Reviews of the **AMBER BROWN GOES FOURTH** *by* Paula Danziger

1. Vudomuro

My daughters favorite series! She's read these over and over from the library, finally bought her some of her own!!!! She loves these!!!!

2. Bukelv

The Amber Brown series is a hit with my daughter. She re-reads them asking new questions with each pass. I love that we can talk about what happens and that she is comprehending as she flies through the series.

3. Kardana

I purchased this book for my granddaughter who just started the 4th grade and she really enjoyed the book.

4. Dog_Uoll

As advertised

5. Anayanis

My 6 year old loved Amber Brown. Her only issue was that there was cursive writing as part of the dialogue in the book. She is in first grade and only knows a little bit of cursive. We just read those parts together. I liked that it made learning cursive important to her. :)

6. Delaath

My daughter is really enjoying the Amber Brown series.

7. Zavevidi

Part of the Amber Brown series. Great series for girls, age 3-7. Bought for my niece, and she absolutely adored it. Definitely recommend.

8. love it!!!
