## Reviews of the Sugar Creek Inn (New England Novel Series, 2) by Sharon Snow Sirois

### 1. Stoneshaper

Truely a charming addition to Sharon Snow Sirois's 'New England' series.

This small town story was so enjoyable. Jack(Jacilyn)Miller and her sisters were a hoot! Jack meets the new pastor and she doesn't want to like him because she is engaged! She is keeping a promise to her late Grandfather,but is this what God has planned for her life?  
Book #1. in the New England series:'Sawyer's Crossing'.

## 2. Siralune

I have spent my life with almost a zero in fiction book, this series along with a couple of others series have put me curled up in a chair not being able to put the book down. Loved it.
