From unique baby gifts to garden decorations, even the simplest craft can become a beautiful vintage treasure with Melissa Frances' clever techniques. Frances, owner of the Heart & Home Company, which makes exquisite labels, boxes, and jars, has some great ideas for personalizing décor and creating an individual style. All it takes are some easy-to-find supplies and the more than 80 breathtaking artwork labels that are reproduced right here for the reader to copy. Use them to add charm to the nursery (a Vintage Baby Block or Display Case), to create a cozy antique kitchen (Hanging Utensil Holder, Window Frame Shadow Box), to make Christmas especially merry (Holiday Ribbon Box), and to add pretty feminine touches everywhere. *A Selection of the Homestyle Book Club and the F&W Book Clubs.*
