Reviews of the *Take Me Out to the Ballgame* *by* Norworth And Gillman

1. Ricep

Wine old book, lots of pictures.

2. Grokinos

I bought this book as a gift from my toddler son to give to his Daddy on Father's Day. I also bought baseball tickets for their 1st ball game and put them inside this book. Just a creative way to give baseball tickets!!! And if you want to teach the lyrics of this song to a child, this book is an excellent tool! The pictures are awesome as well!

3. Samutilar

The book was very cheaply made. When I opened for the first time, the binding came undone and came apart from the cover. The book is all geared for the Dodgers, which is fine, but I thought it was more general. Was very disappointed since I was giving it as a gift.

4. LadyShlak

Perfect!

5. Timberahue

This book was a favorite for our sons. Now our grandchild can learn the song too!

6. Hanelynai

Thanks to this book, my son's first song he ever sang was "Take me out to the ballgame." He loves this book. He's a big baseball fan at the age of 2.

7. Wal

My grandson sings the song all the time since he was 3 he says Apple Jacks instead of Cracker Jacks so we bought him some Cracker Jacks and now we got him the book He's seven and reads well and loves it
