Reviews of the Toward an Aesthetic of Reception (Theory and History of Literature) by Hans Jauss

1. Windforge

Great

2. BORZOTA

If you are practicing or interested in literary study/research this book is a classic reference.

3. Acebiolane

Like a bracingly cold glass of Tuscan Whole Milk, Hans Robert Jauss' *Toward an Aesthetic of Reception* clears the palate and the brain, preparing the reader for heretofore impossible feats of interpretation. For example, after reading this book, I now realize why Sarah Palin's vast erudition escaped detection during the Katie Couric interview. Poor Katie's low self-esteem meant she just wasn't ready to receive Sarah's Starbursts of Wisdom(TM). So read this amazing book and finally be able to participate fully, along with such luminaries Matthew Continetti and Rich Lowry, in the great re-birthing of Freedom in America, also too.
