Originally published in 1980. This book is a collection of language learning activities in the area of drama, mime, roleplay, problem solving, group work, music and song - all classroom tested and ready for use in teaching English, no matter the level. The exercises are designed to promote and stimulate real language communication and to involve teachers and students on a personal level. The authors taught on training courses for ELT teachers and developed these excellent techniques and ideas for educators looking for whole-person learning ways of teaching.
